

Delivering Happiness on  
Horseback since 2004

## About Camp Casey

Camp Casey provides cost-free therapeutic horseback riding programs to children with cancer, sickle cell disease, and other life-threatening illnesses.

Camp Casey's **Horsey House Calls** deliver "horse camp" to the homes of children who may be too sick to attend a traditional summer camp. By donating essential supplies, you can help keep Camp Casey's programs cost-free to the families we serve.

## Our Mission

Camp Casey's mission is to provide safe, fun experiences for children and families affected by childhood cancer, sickle cell disease, and other life-threatening illnesses through accessible horseback riding programs.

Follow the QR code to view our full Wish List, and learn how to get involved!
